

Anniversary Salt Request Form

To commemorate OSCAR's 25th Anniversary, the Board has decided to give each member household a free anniversary salt!

Salts will be distributed at the upcoming April 2013 meeting and at the National Convention in May. If you are unable to attend a meeting and wish to have your salt shipped, please complete the form below. You are welcome to purchase additional salts if you like, at a cost of \$10 each (plus \$5 each for shipping if needed).

The salts are being created for us by Jeff White, who is one of Pennsylvania's top traditional redware potters. Jeff resides in Lebanon County, PA, and has been making traditional colonial style redware since 1971. Jeff's work can be found at Black Angus in Adamstown (booth #161). All items are completely lead free, functional, and microwave/dishwasher safe. Please plan on visiting him when you are in Adamstown!

OSCAR wishes to thank **LeeAnne and Jeff Kornbau** for arranging for the creation of these wonderful pieces and for volunteering to coordinate the distribution. **THANK YOU!!!**

An Opportunity to Serve ...a note from your Editor:

It is with sadness that I inform you of my decision to step down as editor of the OSCAR newsletter. My first newsletter was in June of 2006 (a surprise even to me). It's time for some new ideas and a new perspective! Please consider stepping in and serving the membership. This will be discussed at the April meeting, but you are more than welcome to contact me or any officer prior to that time if you would be willing to take the reigns.

It has been my pleasure and an honor to bring you OSCAR's news these last seven years - my sincere thanks!!

Judy Johnson, Editor
