

THROW DOWN BASKETS

Throw down baskets created a lot of excitement at the 12th NOSC in Williamsburg. The 13th NOSC Committee invites you to bring a throw down basket to be raffled at our upcoming convention in Newport. If you did not attend the 12th NOSC or if you are new to salt collecting, we are including some pictures and information that might inspire you to assemble one. These baskets can be a group or individual effort and may contain items representative of the state/region in which you live or items related to a hobby or interest. Pictured below are some of the baskets from the 12th NOSC. We challenge you to use your imagination and creativity!
